“Your Success Is Our Success”

Retraining Displaced Workers, “It Is Our Passion”

Luis L. Rego Founder

WELCOME TO ***FUTURE-NET***

PHILOSOPHY

We are pleased to welcome you to ***FUTURE-NET***, where tomorrow's technology is available today. Our goal is to provide our students with the most experienced instruction available and to give our students a competitive edge in the job market. We feel it is important that we have a staff consisting of professionals with numerous years of experience. We also feel it is important to provide the student with not only the skills but also excellent facilities to ensure that the student can work in a healthy and efficient environment. ***FUTURE-NET***' staff is dedicated to the success of our students and providing vocational and technical training that meets the current needs of business and industry. Our staff and faculty will maintain its long-standing reputation for innovation and high quality private vocational education.

OUR MISSION STATEMENT

The Mission of ***FUTURE-NET*** is to provide our students with state of the art curriculum in their field of study, and to provide them with the tools for success. Our goal at ***FUTURE-NET*** is to make our graduates highly skilled enough to catapult them into the work force. This is all done in a unified environment, with the common goal of "quality and integrity above all."

HISTORY

FUTURE-NET was started by Mr. Luis Rego, who was working for another school when he observed an attitude consisting of a lack of concern for the students, that not only the school he worked for had, but also many other institutions operated this way, therefore, he decided that it would be beneficial for his community to open a school that was student oriented and not profit oriented. He created ***FUTURE-NET*** with Industry Programs that were in demand and made sure that his policy and procedure was to make sure that everything that was promised to the student would be delivered without any delays or misrepresentation, including up-to-date education and all the supplies needed to do so. ***FUTURE-NET***'s target market became the people that needed re-training in another vocation as the target population is/was of injured or displaced workers. ***FUTURE-NET*** gave the injured and the displaced people a new career and a better future for their families.

DISCLOSURES

FUTURE-NET is a private institution, its approval to operate as a private postsecondary school in the State of California is based on provisions of the California Private Postsecondary Education Act (CPPEA) of 2009, which was effective January 1, 2010, The Act is administered by the Bureau for Private Postsecondary Education, under the Department of Consumer Affairs. STUDENT INFORMATION

FUTURE-NET complies with the Family Education Rights and Privacy Act of 1974. This act enables all students to review their academic records, including grades, attendance, and reports. Access to student files is limited to staff members and the school's approving and accrediting authorities. Students may examine their files at any time during normal school hours. Student files may not be removed from campus grounds for any reason. If a student would like a copy of any of the information contained in their files, or a transcript, a written request may be made to the Director.

Personal information, counseling notes or financial information contained in students' files will not be released to any outside party other than the student, the student's rehabilitation counselor or attorney, without a signed release by the student.

STUDENT RECORDS

FUTURE-NET, keeps student records in an electronic format for (5) years from his/her last day of attendance. Transcripts are retained permanently. All records are backed up weekly and backup is kept off site at Director's Residence and in an Internet Cloud Secure Drop Box. Records are in PDF format and can be printed at any time. The student record is only available to authorized personnel, unless the student authorizes the school in writing to release the records to a third party.

EMERGENCY MEDICAL INFORMATION

All students are requested to complete a Medical Emergency Information form upon enrollment. If there are any changes to the information requested on the form, please see the receptionist and update the form. Please keep us informed of any changes in medical condition, medications, allergies or related information for paramedic's use in the event of a medical emergency.

ENGLISH – AS A – SECOND LANGUAGE

FUTURE-NET does not currently offer programs for English as a second language.

DRESS CODE

Since the objective of the school is to prepare students for professional careers, each student is expected to formulate habits of dress that meet the requirements of the industry community of their field of study. While enrolled at the institute, students must observe the following dress code:

- Women's acceptable attire includes: simple dresses, sweaters, skirts, or slacks; jumpsuits or a two-piece outfit; flat shoes or heels; appropriate hairstyle and make-up.
- Men's acceptable attire includes: cotton pants or dress slacks; short or long sleeve shirts; sweaters; golf or knit pullovers; casual or dress shoes; neat and trim hairstyles.
- Women's attire which is not considered acceptable includes: mini-length hemlines or high slits on skirts; back-less or halter tops; low cut or strapless tops; bare midriffs; tank tops;

cut off sweatshirts or warm-ups; sheer tops without proper undergarments and shorts. Hats and sunglasses in the classroom are also unacceptable.

Men's attire which is not considered acceptable includes: warm-ups or cut off sweatshirts; tank tops; T-shirts with insignias, and shorts. Hats and sunglasses in the classroom are also unacceptable.

Exceptions in attire:

In the Dental Technician programs the students are required to wear a lab smock/jacket in class. In the professional cake designer program, the student may wear jeans (that are in good condition and not frayed or with holes) and an apron.

In addition to the requirements above, hair should be clean and neat. Nails should be kept trim and clean, especially in the Professional Cake Designer Program.

STUDENT CONDUCT

Since we are training our students in a professional career, we expect our staff and students to conduct themselves in a respectable and responsible manner. Basically, one need just to use common sense. If the conduct of a staff/faculty member or a student is unprofessional or brings into question honesty, maturity or moral character or if at any point during the application process a staff member/student falsifies information, they may be subject to probation, suspension, or dismissal. This includes, but is not limited to:

- ☞ Use, consumption, distribution, or being under the influence of alcohol or illegal drugs on school premises or at any school-sanctioned activity
- ☞ Violation of Future-Net's policy on infectious conditions (see next page)
- ☞ Sexual advances, innuendoes, jokes or sexual activity on school grounds or at outside school activities
- ☞ Violation of ***FUTURE-NET*** safety regulations
- ☞ Failure to maintain appropriate hygiene (see next page)
- ☞ Disruptive, boisterous, vulgar, or obscene behavior, or any behavior that is seen as "out-of-control."
- ☞ Negative undermining behavior or comments that erode the fabric of the ***FUTURE-NET*** school community
- ☞ Sexual liaison between student and faculty/staff member
- ☞ Cheating on exams or assignments
- ☞ Harassment, verbal, or physical threats, abuse, aggressive behavior or violence against any member (includes students) of the ***FUTURE-NET*** community
- ☞ Breach of privacy or confidentiality
- ☞ Taking and/or using any personal property or school property without written permission from the owner/school
- ☞ Immodest or inappropriate dress while in school or the Internship site
- ☞ Any other conduct deemed unprofessional, inappropriate, or unethical by the Educational Manager and/or the School Director

SEXUAL HARRASMENT

An integral part of the training mission of **FUTURE-NET** is to foster an open learning and working environment. It is our intent to provide an environment that is free from sexual harassment and from the fear that it may occur. The entire community suffers when sexual harassment is allowed. Sexual harassment in this organization will not be tolerated. Sexual harassment is against the law and constitutes any unwelcome sexual approach, including written communication, that may intimidate an individual or create a hostile environment.

We will take any complaint of sexual harassment seriously and will promptly and fairly investigate any complaints and take appropriate action, if warranted. Corrective action may involve requirement for behavioral changes, counseling, probation and/or expulsion of the student involved and firing of an employee of **FUTURE-NET** depending upon the severity of the offense.

If a disciplinary proceeding is initiated, the accuser and the accused parties will be entitled to the same opportunities to have another party present during the proceeding. Both the accused and the accuser will be informed of the outcome of any disciplinary action. All proceedings arising out of an alleged sexual offense will be private, confidential and limited to the management of the school, the accused, the accuser and their other parties to the extent allowed by law.

PERSONAL HYGENE STANDARDS

Students are expected to take extra care, both in the classroom and the lab, to maintain the very highest standards of personal hygiene, including, but not limited to, clean hair and body, clean and short fingernails, clean and appropriate uniform or clothing, and avoidance of body odor.

INFECTIOUS CONDITIONS

FUTURE-NET strongly advises anyone with an infectious condition to consult with the Educational Manager and/or with a physician for purposes of clarifying personal risks and special precautions and to assess the risk to the school community.

The school does not discriminate against students, faculty, administrative staff or clients on the basis of illness or HIV status. Members of the school community are not required to submit to AIDS testing, and persons who have tested positive for HIV antibodies are not required to release that information to the school community.

Individual responsibility is paramount in controlling the spread of disease. All students, faculty, administrative staff, and clients of **FUTURE-NET** are obligated to exercise caution and mature judgement in the personal behavior. Anyone who has any reason to believe he or she has an infectious condition must use all known measures to prevent the spread of the condition especially in the programs where sharp insruments are used..

The procedures listed below are to be followed at all times:

- ☞ Anyone who has a highly contagious infecton including, but not limited to, chicken pox, measles, strep throat, a serious cold or flu, or an infectious skin condition, shall not attend class or participate in the student clinic until the condition has passed the infectious stage.

- ☞ Anyone with an open wound on his/her hand shall cover the wound with non-permeable material, such as a finger cot or glove especially in the Professional Cake Decorating Program.

If the scheduled holiday falls on a Sunday, School will be closed Monday in observance of the holiday.		

Satisfactory academic progress (SAP) is reported on a quarterly (each quarter period of the student's program) basis. It is necessary for the student to maintain satisfactory academic progress in their program of study. Grades are calculated at the end of each module of instruction per the requirement set forth. Students must maintain a cumulative grade point average of 70% (2.0 or "C") or greater to meet SAP.

Students failing to maintain SAP but has a grade of 60% to 69% (1.0 or D) will be placed on academic probation for the next quarter period, when the academic progress will be checked again. Failure to improve SAP within the probationary period may result in an extended probationary period for one more quarter if the grade is again between 60% to 69%, or will result in dismissal from school if the grade is lower than 60%.

Students terminated from the program due to failure to satisfy academic progress may appeal their termination, in writing, to the Director, within five days of termination. They may present any extenuating circumstances and attach supporting documentation in their appeal. The student will be notified of the decision in writing within five days of the Director's receipt of the appeal. The decision of the Director is final.

Maximum Time Frame. Students must successfully complete their prescribed training program within 150% of the allotted program time. (Example, program requires 500 clock hours to complete, 150% of 500 equals 750 hours. The student must complete the prescribed training program within the 750 hours or they will be terminated from the program for failing to meet Satisfactory Academic Progress.)

Upon completion of the entire program, the final grade will be determined by averaging the individual modules. The final letter grades are determined by the numerical equivalent according to the following scale:

Grading Policy

Grade	%	GPA	Description
A	90-100	4.0	Excellent
B	80-89	3.0	Good
C	70-79	2.0	Average
D	60-69	1.0	Poor
F	50-59	0	Fail
I	--	--	Incomplete

MINIMUM REQUIREMENTS FOR GRADUATION AND CERTIFICATE OF COMPLETION

Certificates of Completion will be awarded to all students who successfully complete each program.

Students must meet the following minimum requirements within the maximum allowable time frame in order to complete each program:

- **Achieve a total, overall attendance time of 80% of scheduled hours of instruction**
- **Pass all module final examinations and achieve a total, overall grade point average of 2.0/“C” or better**
- **Fulfill all financial obligations to the school**

ATTENDANCE POLICY

FUTURE-NET encourages students to be in attendance 100% of the scheduled class time in order to acquire the knowledge and skills necessary for each program. However, because emergencies do happen, the minimum attendance requirement is 80% attendance of scheduled hours of instruction to qualify for a certificate from the class.

Attendance Probation: At each grade review, the students that do not meet the 80% requirement to meet satisfactory academic progress, but is between 70 to 79% in the quarter of their program, the student will be placed on attendance probation (for the next quarter). Failure to improve during the probationary period, but is still between the 70% to 79%, will result in an extended probationary period for one more quarter. Attendance percentage below this will result in termination from training.

Tardy: Persistent tardiness by a student as determined by the program instructor will result initially in a meeting with the student. Continued tardiness will be handled as absences (three tardy equal one absence) and may result in termination of enrollment. In this event, any unused portion of tuition and fees are refunded as outlined in the tuition refund section of this catalog.

Leave Of Absence Policy: A Leave of Absence from programs may be extended to students for medical or other reasons. The Leave of Absence may be granted for a period of up to **60** days during a one-year period. A student may utilize these days consecutively or may utilize these days intermittently if related to the initial reason for the leave. Leaves of Absences are granted on an individual basis and must be requested in writing by the student and approved by the Director. Failure to return to training upon the designated date ending the Leave of Absence will result in termination.

Vocational Rehab students will be placed on Leave of absence for no more than 60 days with approval from the Director.

STUDENT TERMINATION

Students may be terminated for any of the following reasons:

- **Violation of Student Conduct and/or Sexual Harassment Policy**
- **21 days of consecutive absences**
- **Failure to maintain satisfactory academic or attendance progress levels**
- **Failure to comply with the terms of probationary notices**
- **Dangerous or abusive behavior towards school personnel or other students**
- **Violation of school policies concerning alcohol, drugs or weapons**

PLACEMENT ASSISTANCE

FUTURE-NET provides placement assistance to students at no additional charge. Although placement assistance is available, ***FUTURE-NET*** does not guarantee job placement after completion of the program. The Graduate is responsible to contact the employer, set up an interview appointment and do the best he/she can do at the interview.

Future-Net holds an open door policy to its graduates to help in placement assistance, but the state law only requires institutions to assist in placement for six months from the student's graduation date.

Placement services are available to all graduating students (and former graduates) as follows:

- **Assistance in preparing, updating and customizing resumes**
- **Interviewing techniques**
- **Posting current job openings for all students to investigate with or without assistance**
- **Instruction on how to fill out an employment application**
- **Discussing with the student how an interview went and assisting in pointers on how to make the interview better.**

STUDENT SERVICES

FUTURE-NET does provide bus route information, and this is available to students that request them. Please see the Registrar for said services.

Academic counseling is done by making an appointment with their instructor or the Director of Education for academic hardships.

STUDENT RIGHTS

The student has the right to cancel the enrollment agreement and obtain a full refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. As described in the Notice of Cancellation form which will be given to you at the first class you go to. If you have lost your copy of the notice of cancellation, the cancellation can be written on any paper with the date and either mail the notice to the campus that you attend. Read the Notice of Cancellation form for an explanation of your cancellation rights and responsibilities. If you have lost your Notice of Cancellation form, ask the school for another copy.

After the end of the cancellation period, you also have the right to stop school at any time, and you have the right to receive a refund for the part of the course not taken. Your refund rights are described in the contract and further in this catalog. If you have lost your contract, ask the school for a description of the refund policy or a copy of your contract.

If the school closes before you graduate, you may be entitled to a refund. Contact the Bureau for Private Postsecondary Education at the address and telephone number printed below for your information.

If you have any complaints, questions, or problems that you cannot work out with the school, write or call:

CANCELLATION, WITHDRAWAL & TUITION REFUND POLICY

In accordance with California law, ***FUTURE-NET*** complies with the mandatory cancellation, Withdrawal and Tuition Refund policies and formulas as prescribed by the Bureau for Private Postsecondary Education.

Cancellation Rights

You have the right to cancel the enrollment agreement and obtain a full refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to withdraw from a program of instruction at any time.

Cancellation shall occur when you give written notice of cancellation at the address of the Institution shown on page 17 of this catalog. You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid.

The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the enrollment agreement. ***FUTURE-NET*** will provide every student with 2 copies of our “NOTICE OF CANCELLATION” forms on the first day of class.

CANCELLATION AND REFUND POLICY

(a) Every institution shall make refunds that are no less than the refunds required under the Act and this Division.

(b) An institution may not enforce any refund policy that is not specified in the catalog as required pursuant to section 94909(a)(8)(B) of the Code, and must refund all institutional charges upon a student's withdrawal. Withdrawal policy procedures pursuant to section 94909(a)((8)(B) of the Code shall include, at a minimum: the acceptable methods of delivery of a notice to withdraw; whether withdrawal can be accomplished by conduct, and if so, how; the position or positions to whom the notice to withdraw must be delivered; and the date that the notice to withdraw is considered effective, which shall be no later than the date received by the institution.

(c) A pro rata refund pursuant to section 94919(c) or 94920(d) or 94927 of the Code shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student, calculated as follows:

(1) The amount owed equals the daily charge for the program (total institutional charge, divided by the number of days or hours in the program), multiplied by the number of days student attended, **or was scheduled to attend, prior to withdrawal.**

(2) Except as provided for in subdivision (a)(3) of this section, all amounts paid by the student in excess of what is owed as calculated in subdivision (a)(1) shall be refunded.

(3) Except as provided herein, all amounts that the student has paid shall be subject to refund unless the enrollment agreement and the refund policy outlined in the catalog specify amounts paid for an application fee or deposit not more than \$250.00, books, supplies, or equipment, and specify whether and under what circumstances those amounts are non-refundable. Except when an institution provides a 100% refund pursuant to section 94919(d) or section 94920(b) of the Code, any assessment paid pursuant to section 94923 of the Code is non-refundable.

(4) For purposes of determining a refund under the Act and this section, a student shall be considered to have withdrawn from an educational program when he or she withdraws or is deemed withdrawn in accordance with the withdrawal policy stated in its catalog.

If a student obtains a loan, the student will have to repay the full amount of the loan plus interest, less the amount of any refund and that, if the student receives federal student financial aid funds, the student is entitled to a refund of the money not paid from federal financial aid funds.

Third Party Payer

The school will also refund money collected for sending to a third party on the student's behalf such as license or application fees or total Program Cost, when paid by a third Party Agency. The same Pro-rata refund policies will apply, in this case moneys are returned to third party; no direct student refund will be done. If the school cancels or discontinues a program or educational Program, the school will make a full refund of all charges. Refunds will be paid within 45 days of cancellation or withdrawal from the date of the cancellation or withdrawal.

Please note: Third Party Pay Students such as Vocational Rehabilitation, do participate in (STRF) The Student Tuition Recovery Fund.

Vocational Rehabilitation: refers to Workmen's Comp Private Insurance Injured Workers.

STUDENT TUITION RECOVERY FUND DISCLOSURE

76215. Student Tuition Recovery Fund Disclosures

(a) A qualifying institution shall include the following statement on both its enrollment agreement and school catalog:

“The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.”

(b) In addition to the statement required under subdivision (a) of this section, a qualifying institution shall include the following statement in its school catalog:

“It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.

6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.

7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.”

Note: Authority cited: Sections 94803, 94877 and 94923, Education Code. Reference: Section 94923, 94924 and 94925, Education Code.

Tuition Refund Example

Please note: that in the state of California a school has the right to the full tuition fee if the student has attended 61% or more of their program.
